

Everest Fleet is Uber's largest professionally managed fleet supplier in India, with a fleet of 2200+ cars, operating in Mumbai, Bengaluru, Delhi and Hyderabad. It was founded by a successful entrepreneur, philanthropist and seasoned angel investor Siddharth Ladsariya in October 2016.

As we are one of the most professionally managed fleets of the country, Uber India has entered into a strategic partnership with us. After having successfully built a business in Mumbai, Bangalore and Delhi, the latest expansion was in Hyderabad. Our goals are to reach 5000 cars by the end of 2022.

With an aim to generate 1 lakh jobs and create an ecosystem benefiting the entire value chain - drivers, aggregators, investors & employees, Everest Fleet envisions becoming the preferred operating partner in the industry over the next 5 years

Current team size is of 300 people and 2200+ drivers. We are currently building a core team which will be responsible for the organisation's growth.
